

# **RULES AND REGULATIONS GOVERNING USE OF WOLF LAKE YACHT CLUB**

1. Members are responsible for the actions of their families and guests. Sponsoring member will be responsible for the junior member.
2. Profanity and obscenity shall not be condoned
3. Boaters must dry themselves before entering clubhouse.
4. Ice skates without guards not permitted in clubhouse or on stairs to lake or on outdoor wooden decks.
5. Children of members will have clubhouse privileges no later than sundown and must have permission of the parent or senior member. After sundown a senior member must be present.
6. Out of town guests of members and members of any other yacht club subscribing to US SAILING are welcome. Applicants for membership who are on the waiting list shall be invited to all organized club functions. At all other times they must be a guest of a member.
7. All craft shall refrain from using reserved mooring spaces assigned to others.
8. During sailboat activities, powerboats will please refrain from using leeward (DOWN WIND) side of east dock.
9. All craft moored (TIED) at club docking facilities shall be securely made fast and in such a manner as to avoid possible damage to other craft. No craft shall be permanently moored to the docks or to the docking structure.
10. Members shall be responsible for the clean-up of their debris after using the club facilities. They shall be certain that any fires are completely out. No fires shall be allowed on the wooden outdoor deck. To maintain the cleanliness and safety of the swimming ,docking areas, clubhouse and grounds, containers provided at upper and lower ground levels for disposition of debris are to be used.
11. It shall be the responsibility of each member to see that clubhouse lights (excluding automatic lighting) are turned off and that the doors and windows are locked when leaving the premises and no other members are present. Especially in the winter months, be sure No water outlets are leaking. If you notice any discrepancy in normal operation and problem cannot be immediately remedied, call at once the building and grounds chairman or the commodore.
12. There shall be no fishing from the docks or from craft tied to docks during club sponsored events.
13. Pets shall be permitted on club premises (outside fenced area) and owner MUST cleanup after their pet.

Any infraction of the above rules and any regulations may result in suspension of membership as outlined in Article V. Section C. Paragraph 3, of the Constitution of the Wolf Lake Yacht Club.

Adopted February 1976, revised October 9, 2009
